Chris,

Attached are photos of Property 2 from the last day on Site.

Do you need photos from before with windrow piles, to show the operations?

Thank you,

I'm sorry, but you can expect to receive additional questions from me as the Action Memo is going through review.

Do you have any late pictures of Property 2 in the last few weeks we were there? I am only interested in the North side where we are doing the work

Thanks
Chris
